## POLICY

### Memorandum of Understanding with the NSW Police Force for the facilitation of information exchange

FRNSW has signed a [Memorandum of Understanding](#) (MOU) with the NSW Police Force for facilitation of information exchange. The MOU is available on the [MOUs and other agreements page](#) on the Intranet.

The MOU forms the basis of a mutually agreed approach to assist both FRNSW and the NSW Police Force to share information, particularly in relation to any event which may affect the operation of either party. It strengthens the relationship between our organisations and will assist in the management of incidents that involve the attendance of both organisations.
