## POLICIES

### **Memorandum of Understanding with the Environment Protection Authority for hazardous material incident response procedures**

FRNSW has signed a [Memorandum of Understanding](#) with the Environment Protection Authority for hazardous material incident response procedures. The MoU is available on the [MoUs and other agreements page](#) on the Intranet.

The MoU forms the basis of a mutually agreed approach to assist both FRNSW and EPA to provide certain agreed services in the event of a hazardous material incident. It strengthens the relationship between our organisations and will assist in the management of incidents involving hazardous materials in NSW.
