POLICIES

Memorandum of Understanding with WorkCover

FRNSW has signed a Memorandum of Understanding (MOU) with WorkCover on notification of incidents and matters of interest. The MOU is available on the MOUs page on the intranet.

An Information Pack has been sent to Area and Zone Commanders for distribution to Duty and Station Commanders.

Key points

The purpose of the MOU is to facilitate cooperation, coordination and information sharing when responding to matters of interest in a timely and appropriate manner. Information sharing is two-way:

- FRNSW Incident Controllers must request FireCOM to notify WorkCover of:
 - work-related fatalities
 - serious work-related injuries
 - incidents likely to become high profile and involve multi-agency response
 - major incidents at Major Hazard Facilities that expose or could expose a person to a serious risk to health and safety.
- WorkCover will notify FRNSW:
 - of hazmat incidents, fires or explosions that have not been reported to FRNSW
 - if an Inspector identifies a workplace that manufactures or stores chemicals, has high risk and/or fire loads, and the installed fire protection is turned off or not fully functional.

Who needs to read this MOU?

All Station, Duty and Zone Commanders and FireCOM staff should read the MOU and the Information Pack.
